

Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Tuesday 20 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Dry with some warm afternoon sunshine for many areas.

Today:

Low cloud gradually clearing from the south this morning to leave much of the mainland dry, sunny and warm or very warm. Cloud lingering along the north coast, and the Western Isles at times. Maximum temperature 22 deg C (72 deg F).

Tonight:

Most of the mainland will have a dry and sunny evening. Low cloud will spread south to affect many areas overnight, although the south will stay clear. Minimum temperature 12 deg C (54 deg F).

Wednesday:

Overnight low cloud mostly burning off in the morning to leave a dry, sunny and very warm day. Some patchy low may linger across the Western Isles. Maximum temperature 23 deg C (73 deg F).

Outlook for Thursday to Saturday:

Remaining dry and sunny, overnight low cloud in the east burning off in the mornings. Very warm, locally hot in the south and west. East coast somewhat cooler.
